¹ This list includes only those students I directed their dissertations as their moderator. I have not included the names and theses of those other students I served as co-relator for their dissertations (and there are many of them). I reserve that honor and recognition to their first moderators. I hope these students will pardon me for omitting their names here. I cherished every aspect of the contribution we might have made for their academic growth when they were doing their research with me and the other professors. Both the published and unpublished versions of students' dissertations published here may be obtainable from the Library of the Pontifical Urban University, Rome.
